## Why Should You Migrate?

### [Feature 1]

Description of how this feature will benefit the advisor if they opt in to migrate.

### [Feature 2]

Description of how this feature will benefit the advisor if they opt in to migrate.

## **If You Decide to Migrate**

Once the migration occurs, the destination URL for migrated offices will differ from your existing URL. This means the Advisor Site URL and the Client Portal URL will change for migrating offices. Following the [Date] cutoff date, we will send a client-facing email template to share with clients to prepare them for this change.

**-[Enterprise] and eMoney Advisor**
